

OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 8/11/2020

Under ODE’s **Ready Schools, Safe Learners** guidance, each school¹ has been directed to submit a plan to the district² in order to provide on-site and/or hybrid instruction. Districts must submit each school’s plan to the local school board and make the plans available to the public. This form is to be used to document a district’s, school’s or program’s plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to, school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,³ parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation.

1. Please fill out information:

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	Camas Valley Charter School
Key Contact Person for this Plan	Don Wonsley
Phone Number of this Person	541-445-2131
Email Address of this Person	Don.wonsley@camasvalley.k12.or.us
Sectors and position titles of those who informed the plan	Superintendent/Vice Principal/Special Education Director/Maintenance Supervisor/Regional Nurses.
Local public health office(s) or officers(s)	Douglas County Public Health
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	Don Wonsley
Intended Effective Dates for this Plan	August 24 th , 2020-June 9 th 2021
ESD Region	Douglas ESD

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

We have collected survey data regarding parent concerns around reopening in the fall. Families are sharing they feel most comfortable with, technology and transportation needs and special circumstances that might affect their student’s educational experience. The survey link has been provided to all students, families and staff members to ensure the representation/survey data for all levels of students. We do this by posting the link to the school’s Facebook page. We have more than 60 families who have responded to far.

¹ For the purposes of this guidance: “school” refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, “school” will be used inclusively to reference all of these settings.

² For the purposes of this guidance: “district” refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

³ Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

3. Indicate which instructional model will be used.

Select One:

- On-Site Learning Hybrid Learning Comprehensive Distance Learning

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-19 in the initial template) and [submit online](https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a). (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a>) by August 17, 2020 or prior to the beginning of the 2020-21 school year.

* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT

This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning. For Private Schools, completing this section is optional (not required). Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.

Describe why you are selecting Comprehensive Distance Learning as the school's Instructional Model for the effective dates of this plan.

Not Applicable

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements](#). Please name any requirements you need ODE to review for any possible flexibility or waiver.

Not Applicable

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

Not Applicable

The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.

ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models.

Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.

0. Community Health Metrics

METRICS FOR ON-SITE OR HYBRID INSTRUCTION

- The school currently meets the required metrics to successfully reopen for in-person instruction in an On-Site or Hybrid model. *If this box cannot yet be checked, the school must return to Comprehensive Distance Learning but may be able to provide some in-person instruction through the exceptions noted below.*

EXCEPTIONS FOR SPECIFIC IN-PERSON INSTRUCTION WHERE REQUIRED CONDITIONS ARE MET

- The school currently meets the exceptions required to provide in-person education for students in grades K-3 (see section 0d(1) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required to provide limited in-person instruction for specific groups of students (see section 0d(2) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for remote or rural schools in larger population counties to provide in-person instruction (see section 0d(3) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for smaller population counties to provide in-person instruction (see section 0d(4) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for schools in low population density counties (see section 0d(5) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for small districts to provide in-person instruction (see section 0d(6) of the **Ready Schools, Safe Learners** guidance).

1. Public Health Protocols

1a. COMMUNICABLE DISEASE MANAGEMENT PLAN FOR COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Implement measures to limit the spread of COVID-19 within the school setting. <input checked="" type="checkbox"/> Update written Communicable Disease Management Plan to specifically address the prevention of the spread of COVID-19. <input checked="" type="checkbox"/> Designate a person at each school to establish, implement and enforce physical distancing requirements, consistent with this guidance and other guidance from OHA. <input checked="" type="checkbox"/> Include names of the LPHA staff, school nurses, and other medical experts who provided support and resources to the district/school policies and plans. Review relevant local, state, and national evidence to inform plan. <input checked="" type="checkbox"/> Process and procedures established to train all staff in sections 1 - 3 of the Ready Schools, Safe Learners guidance. Consider conducting the training virtually, or, if in-person, ensure physical distancing is maintained to the maximum extent possible. <input checked="" type="checkbox"/> Protocol to notify the local public health authority (LPHA Directory by County) of any confirmed COVID-19 cases among students or staff. <input checked="" type="checkbox"/> Plans for systematic disinfection of classrooms, offices, bathrooms and activity areas. 	<p>Currently working with district crisis management team to update our Communicable Disease Management Plan to include the requirements for COVID-19</p> <p>Camas Valley School District will follow Board Policies- GBEB, GBEB-AR, JHCC, JHCC-AR.</p> <p>Addition to the communicable disease management plan and board policy with COVID the district will do the following.</p> <ul style="list-style-type: none"> - Protocol for parent daily symptom check to determine if a student should attend school. - Protocol for entry screening of students and staff for symptom - Protocol to screen for health room symptom screening. - Protocol to isolate any ill or exposed persons for physical contact with others. - System for maintaining daily logs for symptom surveillance. - System for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made in consultation with a school nurse or official.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Process to report to the LPHA any cluster of any illness among staff or students. <input checked="" type="checkbox"/> Protocol to cooperate with the LPHA recommendations. <input checked="" type="checkbox"/> Provide all logs and information to the LPHA in a timely manner. <input checked="" type="checkbox"/> Protocol for screening students and staff for symptoms (see section 1f of the Ready Schools, Safe Learners guidance). <input checked="" type="checkbox"/> Protocol to isolate any ill or exposed persons from physical contact with others. <input checked="" type="checkbox"/> Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the Ready Schools, Safe Learners guidance). <input checked="" type="checkbox"/> Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made in consultation with a school/district nurse or an LPHA official. Sample logs are available as a part of the Oregon School Nurses Association COVID-19 Toolkit. <ul style="list-style-type: none"> • If a student(s) is part of a stable cohort (a group of students that are consistently in contact with each other or in multiple cohort groups) that conform to the requirements of cohorting (see section 1d of the Ready Schools, Safe Learners guidance), the daily log may be maintained for the cohort. • If a student(s) is not part of a stable cohort, then an individual student log must be maintained. <input checked="" type="checkbox"/> Required components of individual daily student/cohort logs include: <ul style="list-style-type: none"> • Child's name • Drop off/pick up time • Parent/guardian name and emergency contact information • All staff (including itinerant staff, district staff, substitutes, and guest teachers) names and phone numbers who interact with a stable cohort or individual student <input checked="" type="checkbox"/> Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed. <input checked="" type="checkbox"/> Process to ensure that all itinerant and all district staff (maintenance, administrative, delivery, nutrition, and any other staff) who move between buildings keep a log or calendar with a running four-week history of their time in each school building and who they were in contact with at each site. <input checked="" type="checkbox"/> Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19. <input checked="" type="checkbox"/> Protocol to respond to potential outbreaks (see section 3 of the Ready Schools, Safe Learners guidance). 	<ul style="list-style-type: none"> - Comprehensive plans for systematic disinfection of classroom offices, bathrooms and activity areas. - Training for staff to implement sections 1-3 of the Ready School Safe Learners plan will be delivered at the start of the year.

1b. HIGH-RISK POPULATIONS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Serve students in high-risk population(s) whether learning is happening through On-Site, Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models. <p>Medically Fragile, Complex and Nursing-Dependent Student Requirements</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> All districts must account for students who have health conditions that require additional nursing services. Oregon law (ORS 336.201) defines three levels of severity related to required nursing services: <ol style="list-style-type: none"> 1. Medically Complex: Are students who may have an unstable health condition and who may require daily professional nursing services. 	<p>Staff</p> <ul style="list-style-type: none"> - All staff will be given the opportunity to self-identify as vulnerable or living with a vulnerable family member. <p>Students</p> <ul style="list-style-type: none"> - School nurses will provide case management/care planning for students with chronic medical conditions which could repeat with symptoms of COVID. - All students identified as vulnerable, either by a physician, or parent/guardian notification, will be enrolled in online instruction with bi-weekly check-ins. - Students who experience disability will continue to receive specially designed instruction.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>2. Medically Fragile: Are students who may have a life-threatening health condition and who may require immediate professional nursing services.</p> <p>3. Nursing-Dependent: Are students who have an unstable or life-threatening health condition and who require daily, direct, and continuous professional nursing services.</p> <p>☒ Staff and school administrators, in partnership with school nurses, or other school health providers, should work with interdisciplinary teams to address individual student needs. The school registered nurse (RN) is responsible for nursing care provided to individual students as outlined in ODE guidance and state law:</p> <ul style="list-style-type: none"> • Communicate with parents and health care providers to determine return to school status and current needs of the student. • Coordinate and update other health services the student may be receiving in addition to nursing services. This may include speech language pathology, occupational therapy, physical therapy, as well as behavioral and mental health services. • Modify Health Management Plans, Care Plans, IEPs, or 504 or other student-level medical plans, as indicated, to address current health care considerations. • The RN practicing in the school setting should be supported to remain up to date on current guidelines and access professional support such as evidence-based resources from the Oregon School Nurses Association. • Service provision should consider health and safety as well as legal standards. • Appropriate medical-grade personal protective equipment (PPE) should be made available to nurses and other health providers. • Work with an interdisciplinary team to meet requirements of ADA and FAPE. • High-risk individuals may meet criteria for exclusion during a local health crisis. • Refer to updated state and national guidance and resources such as: <ul style="list-style-type: none"> ○ U.S. Department of Education Supplemental Fact Sheet: Addressing the Risk of COVID-19 in Preschool, Elementary and Secondary Schools While Serving Children with Disabilities from March 21, 2020. ○ ODE guidance updates for Special Education. Example from March 11, 2020. ○ OAR 581-015-2000 Special Education, requires districts to provide ‘school health services and school nurse services’ as part of the ‘related services’ in order ‘to assist a child with a disability to benefit from special education.’ ○ OAR 333-019-0010 Public Health: Investigation and Control of Diseases: General Powers and Responsibilities, outlines authority and responsibilities for school exclusion. 	<p>Visitors/Volunteers Visitors/Volunteers will be unable to work in schools during operational hours, or complete other volunteer activities that require in person interaction at this time. Adults in schools are limited to essential personnel only.</p>

1c. PHYSICAL DISTANCING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. This also applies for professional development and staff gatherings.</p>	<p>Overall:</p> <ul style="list-style-type: none"> - All classrooms/teaching spaces will be evaluated to determine how many people can be accommodated allowing 35 square feet of usable space.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Support physical distancing in all daily activities and instruction, maintaining six feet between individuals to the maximum extent possible. <input checked="" type="checkbox"/> Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc. <input checked="" type="checkbox"/> Schedule modifications to limit the number of students in the building (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering). <input checked="" type="checkbox"/> Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don't employ punitive discipline. <input checked="" type="checkbox"/> Staff should maintain physical distancing during all staff meetings and conferences, or consider remote web-based meetings. 	<ul style="list-style-type: none"> - Remove extra furniture to allow seating capacity for only the allowable number of people in the classroom. - Assign seating maximize physical distancing and minimize physical interaction. - Use floor marking for where students need to stand. - Schedule modifications to limit the number of students in the building (cohorts) - Change of school days in order to stagger transition times and limit spacing on the busses. <p>Elementary</p> <ul style="list-style-type: none"> - Follow overall recommendations - Recess will be limited to separate age levels in different parts of the playground. - Most instruction will be done in the classroom. - Lunch will be in the classroom <p>Middle School</p> <ul style="list-style-type: none"> - Follow Overall recommendations - Kept in the same cohort - Most instruction will be done in one classroom. - 8th graders will have a limited number of teachers <p>High School</p> <ul style="list-style-type: none"> - Follow the overall recommendations - There may be a limited cohort - Students will stay in a limited amount of rooms throughout the day. <p>Music</p> <ul style="list-style-type: none"> - Outside instruction will be encouraged whenever possible - Choir and Band will be limited <p>Special Education Services:</p> <ul style="list-style-type: none"> - SpEd instruction will be planned and provided by the Case Manager in collaboration with administration. - SLP will be provided a face-shield or Plexiglas partition. - The IEP team will discuss appropriate steps if social distancing cannot be maintained. <p>Transportation:</p> <ul style="list-style-type: none"> - Double the amount of transportation routes. Elementary will ride the bus during different times than MS/HS - Walking transportation will be encouraged and students within a mile of the school may be required to walk to school. - There will be a letter asking parents to drive their students to school whenever possible.

1d. COHORTING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Where feasible, establish stable cohorts: groups should be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> • The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases. <input checked="" type="checkbox"/> Students cannot be part of any single cohort, or part of multiple cohorts that exceed a total of 100 people within the educational 	<p>Cohorts-</p> <p>Elementary- Limited to just be with students of the same grade whenever possible. Each class will have a partner teacher for shared restroom use, PE, and recess. There will be no contact with MS or HS students.</p> <p>MS- Mainly contact with students of the same grade with limited contact with other MS students.</p> <p>HS- These students will only have contact with other HS students.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>week. Schools should plan to limit cohort sizes to allow for efficient contact-tracing and minimal risk for exposure.</p> <ul style="list-style-type: none"> ☒ Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the Ready Schools, Safe Learners guidance). ☒ Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms. ☒ Cleaning and disinfecting surfaces (e.g., desks, door handles, etc.) must be maintained between multiple student uses, even in the same cohort. ☒ Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade-level academic content standards, and peers. ☒ Staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts. 	<p>Logistics</p> <ul style="list-style-type: none"> - Contract tracing logs maintained - Implement cleaning plan between cohorts <p>Whenever possible, limit personnel to one cohort.</p>

1e. PUBLIC HEALTH COMMUNICATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Communicate to staff at the start of On-Site instruction and at periodic intervals explaining infection control measures that are being implemented to prevent spread of disease. ☒ Develop protocols for communicating with students, families and staff who have come into close contact with a confirmed case. <ul style="list-style-type: none"> • The definition of exposure is being within 6 feet of a COVID-19 case for 15 minutes (or longer). ☒ Develop protocols for communicating immediately with staff, families, and the community when a new case(s) of COVID-19 is diagnosed in students or staff members, including a description of how the school or district is responding. ☒ Provide all information in languages and formats accessible to the school community. 	<p>School nurses, in collaboration with the LPHA when appropriate, will develop</p> <ol style="list-style-type: none"> 1) Communication to staff, students and families about the infection control measures being implemented to prevent spread of disease (see communicable disease plan) 2) Protocols for communicating <ol style="list-style-type: none"> a. with anyone who is symptomatic or has come into close/sustained contact with a confirmed case or b. when a new case has been confirmed and how the district is responding. 3) Systems for symptom surveillance to communicate with LPHA about the status of disease in the school building. 4) Algorithms for <ol style="list-style-type: none"> a. Family decisions about sending students to school. b. Entrance screening by non-medical staff of students upon arrival to school. c. Isolation and exclusion decisions on students sent to the health room d. Communication with the LPHA related to an outbreak. 5) Communication to the community about outbreak management <ol style="list-style-type: none"> a. school closure and re-opening

1f. ENTRY AND SCREENING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Direct students and staff to stay home if they, or anyone in their homes or community living spaces, have COVID-19 symptoms, or if anyone in their home or community living spaces has COVID-19. COVID-19 symptoms are as follows: <ul style="list-style-type: none"> • Primary symptoms of concern: cough, fever (<i>temperature</i> greater than 100.4°F) or chills, shortness of breath, or difficulty breathing. • Note that muscle pain, headache, sore throat, new loss of taste or smell, diarrhea, nausea, vomiting, nasal congestion, and runny nose are also symptoms often associated with COVID-19. More information about COVID-19 symptoms is available from CDC. • In addition to COVID-19 symptoms, students should be excluded from school for signs of other infectious diseases, per existing school policy and protocols. See pages 9-12 of OHA/ODE Communicable Disease Guidance. • Emergency signs that require immediate medical attention: <ul style="list-style-type: none"> ○ Trouble breathing 	<p>Screening of Students:</p> <ul style="list-style-type: none"> - Arrival and drop-off times will be staggered by location and cohort - Students will utilize outside entrances. Each student will be assigned an entrance point. - Staff will be present at each entrance and use the entrance screening plan. - Students who arrive late will go to the front office. - If student screening indicated that a student may be symptomatic, the student will be sent to the designated health room. - Extra hand washing stations and hand sanitizer will be offered throughout the school. - Students will be screened before entering the bus. <p>Staff:</p> <ul style="list-style-type: none"> - Staff are required to report when they may have been exposed to COVID-19 - Staff are required to report when they have symptoms related to COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ○ Persistent pain or pressure in the chest ○ New confusion or inability to awaken ○ Bluish lips or face (lighter skin); greyish lips or face (darker skin) ○ Other severe symptoms <p>☒ Screen all students and staff for symptoms on entry to bus/school every day. This can be done visually and/or with confirmation from a parent/caregiver/guardian. Staff members can self-screen and attest to their own health.</p> <ul style="list-style-type: none"> • Anyone displaying or reporting the primary symptoms of concern must be isolated (see section 1i of the Ready Schools, Safe Learners guidance) and sent home as soon as possible. See table "Planning for COVID-19 Scenarios in Schools." • Additional guidance for nurses and health staff. <p>☒ Follow LPHA advice on restricting from school any student or staff known to have been exposed (e.g., by a household member) to COVID-19. See table "Planning for COVID-19 Scenarios in Schools."</p> <p>☒ Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication should be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school.</p> <p>☒ Hand hygiene on entry to school every day: wash with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</p>	<ul style="list-style-type: none"> - Staff members are not responsible for screening other staff member for symptoms

1g. VISITORS/VOLUNTEERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Restrict non-essential visitors/volunteers.</p> <ul style="list-style-type: none"> • Examples of essential visitors include: DHS Child Protective Services, Law Enforcement, etc. • Examples of non-essential visitors/volunteers include: Parent Teacher Association (PTA), classroom volunteers, etc. <p>☒ Screen all visitors/volunteers for symptoms upon every entry. Restrict from school property any visitor known to have been exposed to COVID-19. See table "Planning for COVID-19 Scenarios in Schools."</p> <p>☒ Visitors/volunteers must wash or sanitize their hands upon entry and exit.</p> <p>☒ Visitors/volunteers must maintain six-foot distancing, wear face coverings, and adhere to all other provisions of this guidance.</p>	<p>--No visitors or no non-essential volunteers</p>

1h. FACE COVERINGS, FACE SHIELDS, AND CLEAR PLASTIC BARRIERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Face coverings or face shields for all staff, contractors, other service providers, or visitors or volunteers following CDC guidelines for Face Coverings. Individuals may remove their face coverings while working alone in private offices.</p> <p>☒ Face coverings or face shields for all students in grades Kindergarten and up following CDC guidelines for Face Coverings.</p> <p>☒ If a student removes a face covering, or demonstrates a need to remove the face covering for a short-period of time:</p> <ul style="list-style-type: none"> • Provide space away from peers while the face covering is removed. In the classroom setting, an example could be a designated chair where a student can sit and take a 15 minute "sensory break;" <ul style="list-style-type: none"> ○ Students should not be left alone or unsupervised; ○ Designated area or chair should be appropriately distanced from other students and of a material that is easily wiped down for disinfection after each use; 	<ul style="list-style-type: none"> - All staff and students will be required to have a face covering. The district will either provide the face covering or the employee can provide their own. - Students under the age of 5 do not need to wear face covering. - Students do not need to wear a mask if they have a medical condition or have a disability which will make it impossible to wear a mask covering. Medical Documentation needs to be given to not require a mask. <p>Educational opportunity will be offered to all students to comply with FAPE (Free and Appropriate Public Education). If a student does not wear a mask then it may restrict the educational setting to provide a safe environment for all students. The goal is to have the least restrictive environment for all students.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> • Provide additional instructional supports to effectively wear a face covering; • Provide students adequate support to re-engage in safely wearing a face covering; • Students cannot be discriminated against or disciplined for an inability to safely wear a face covering during the school day. <p><input checked="" type="checkbox"/> Face masks for school RNs or other medical personnel when providing direct contact care and monitoring of staff/students displaying symptoms. School nurses should also wear appropriate Personal Protective Equipment (PPE) for their role.</p> <ul style="list-style-type: none"> • Additional guidance for nurses and health staff. <p>Protections under the ADA or IDEA</p> <p><input checked="" type="checkbox"/> If any student requires an accommodation to meet the requirement for face coverings, districts and schools should limit the student’s proximity to students and staff to the extent possible to minimize the possibility of exposure. Appropriate accommodations could include:</p> <ul style="list-style-type: none"> • Offering different types of face coverings and face shields that may meet the needs of the student. • Spaces away from peers while the face covering is removed; students should not be left alone or unsupervised. • Short periods of the educational day that do not include wearing the face covering, while following the other health strategies to reduce the spread of disease; • Additional instructional supports to effectively wear a face covering; <p><input checked="" type="checkbox"/> For students with existing medical conditions and a physician’s orders to not wear face coverings, or other health related concerns, schools/districts must not deny any in-person instruction.</p> <p><input checked="" type="checkbox"/> Schools and districts must comply with the established IEP/504 plan prior to the closure of in-person instruction in March of 2020.</p> <ul style="list-style-type: none"> • If a student eligible for, or receiving services under a 504/IEP, cannot wear a face covering due to the nature of the disability, the school or district must: <ol style="list-style-type: none"> 1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan including on-site instruction with accommodations or adjustments. 2. Placement determinations cannot be made due solely to the inability to wear a face covering. 3. Plans should include updates to accommodations and modifications to support students. • Students protected under ADA/IDEA, who abstain from wearing a face covering, or students whose families determine the student will not wear a face covering, the school or district must: <ol style="list-style-type: none"> 1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan. 2. The team must determine that the disability is not prohibiting the student from meeting the requirement. <ul style="list-style-type: none"> ○ If the team determines that the disability is prohibiting the student from meeting the requirement, follow the requirements for students eligible for, or receiving services under, a 504/IEP who cannot wear a face covering due to the nature of the disability, ○ If a student’s 504/IEP plan included supports/goals/instruction for behavior or social emotional learning, the school team must evaluate 	

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>the student’s plan prior to providing instruction through Comprehensive Distance Learning.</p> <p>3. Hold a 504/IEP meeting to determine equitable access to educational opportunities which may include limited in-person instruction, on-site instruction with accommodations, or Comprehensive Distance Learning.</p> <p><input checked="" type="checkbox"/> For students not currently served under an IEP or 504, districts must consider whether or not student inability to consistently wear a face covering or face shield as required is due to a disability. Ongoing inability to meet this requirement may be evidence of the need for an evaluation to determine eligibility for support under IDEA or Section 504.</p> <p><input checked="" type="checkbox"/> If a staff member requires an accommodation for the face covering or face shield requirements, districts and schools should work to limit the staff member’s proximity to students and staff to the extent possible to minimize the possibility of exposure.</p>	

1i. ISOLATION AND QUARANTINE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Protocols for exclusion and isolation for sick students and staff whether identified at the time of bus pick-up, arrival to school, or at any time during the school day.</p> <p><input checked="" type="checkbox"/> Protocols for screening students, as well as exclusion and isolation protocols for sick students and staff identified at the time of arrival or during the school day.</p> <ul style="list-style-type: none"> • Work with school nurses, health care providers, or other staff with expertise to determine necessary modifications to areas where staff/students will be isolated. If two students present COVID-19 symptoms at the same time, they must be isolated at once. If separate rooms are not available, ensure that six feet distance is maintained. Do not assume they have the same illness. • Consider required physical arrangements to reduce risk of disease transmission. • Plan for the needs of generally well students who need medication or routine treatment, as well as students who may show signs of illness. • Additional guidance for nurses and health staff. <p><input checked="" type="checkbox"/> Students and staff who report or develop symptoms must be isolated in a designated isolation area in the school, with adequate space and staff supervision and symptom monitoring by a school nurse, other school-based health care provider or school staff until they are able to go home. Anyone providing supervision and symptom monitoring must wear appropriate face covering or face shields.</p> <ul style="list-style-type: none"> • School nurse and health staff in close contact with symptomatic individuals (less than 6 feet) should wear a medical-grade face mask. Other Personal Protective Equipment (PPE) may be needed depending on symptoms and care provided. Consult a nurse or health care professional regarding appropriate use of PPE. Any PPE used during care of a symptomatic individual should be properly removed and disposed of prior to exiting the care space. • After removing PPE, hands should be immediately cleaned with soap and water for at least 20 seconds. If soap and water are not available, hands can be cleaned with an alcohol-based hand sanitizer that contains 60-95% alcohol. • If able to do so safely, a symptomatic individual should wear a face covering. 	<ul style="list-style-type: none"> - Designated location for students who are located. - Student must be supervised by staff during isolation. - Several staff members will be identified as possible supervisor for isolated students. - Students will be picked up in a specialized isolation area on campus. - Students suspected of COVID cannot attend school until 14 calendar days after exposure and recommendation by local health professionals.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> • To reduce fear, anxiety, or shame related to isolation, provide a clear explanation of procedures, including use of PPE and handwashing. ☒ Establish procedures for safely transporting anyone who is sick to their home or to a health care facility. ☒ Staff and students who are ill must stay home from school and must be sent home if they become ill at school, particularly if they have COVID-19 symptoms. Refer to table in "Planning for COVID-19 Scenarios in Schools." ☒ Involve school nurses, School Based Health Centers, or staff with related experience (Occupational or Physical Therapists) in development of protocols and assessment of symptoms (where staffing exists). ☒ Record and monitor the students and staff being isolated or sent home for the LPHA review. 	

2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for instructional and extra-curricular activities requiring additional considerations (see section 5f of the *Ready Schools, Safe Learners* guidance).

2a. ENROLLMENT

(Note: Section 2a does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Enroll all students (including foreign exchange students) following the standard Oregon Department of Education guidelines. ☒ The temporary suspension of the 10-day drop rule does not change the rules for the initial enrollment date for students: <ul style="list-style-type: none"> • The ADM enrollment date for a student is the first day of the student's actual attendance. • A student with fewer than 10 days of absence at the beginning of the school year may be counted in membership prior to the first day of attendance, but not prior to the first calendar day of the school year. • If a student does not attend during the first 10 session days of school, the student's ADM enrollment date must reflect the student's actual first day of attendance. • Students who were anticipated to be enrolled, but who do not attend at any time must not be enrolled and submitted in ADM. ☒ If a student has stopped attending for 10 or more days, districts must continue to try to engage the student. At a minimum, districts must attempt to contact these students and their families weekly to either encourage attendance or receive confirmation that the student has transferred or has withdrawn from school. This includes students who were scheduled to start the school year, but who have not yet attended. ☒ When enrolling a student from another school, schools must request documentation from the prior school within 10 days of enrollment per OAR 581-021-0255 to make all parties aware of the transfer. Documentation obtained directly from the family does not relieve the school of this responsibility. After receiving 	<ul style="list-style-type: none"> - All students will be enrolled based on previous procedures and regulations under our Charter agreement. - No student will be dropped if they are identified as vulnerable or having symptoms of COVID-19 within the past 14 days. - Attendance for distance students will be taken twice a week. - Attendance tracking will be done for students and administration will be notified if the absenteeism rate is above 20% or more.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>documentation from another school that a student has enrolled, drop that student from your roll.</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns. <input checked="" type="checkbox"/> When a student has a pre-excused absence or COVID-19 absence, the school district should reach out to offer support at least weekly until the student has resumed their education. <input checked="" type="checkbox"/> When a student is absent beyond 10 days and meets the criteria for continued enrollment due to the temporary suspension of the 10 day drop rule, continue to count them as absent for those days and include those days in your Cumulative ADM reporting. 	

2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Grades K-5 (self-contained): Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input checked="" type="checkbox"/> Grades 6-12 (individual subject): Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input checked="" type="checkbox"/> Alternative Programs: Some students are reported in ADM as enrolled in a non-standard program (such as tutorial time), with hours of instruction rather than days present and days absent. Attendance must be taken at least once for each scheduled interaction with each student, so that local systems can track the student's attendance and engagement. Reported hours of instruction continue to be those hours in which the student was present. <input checked="" type="checkbox"/> Online schools that previously followed a two check-in per week attendance process must follow the Comprehensive Distance Learning requirements for checking and reporting attendance. <input checked="" type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver's work schedule, and mental/physical health. 	<ul style="list-style-type: none"> -Normal enrollment procedures for students who on onsite for learning. -Distance Learning will take enrollment at least two days per week.

2c. TECHNOLOGY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Update procedures for district-owned or school-owned devices to match cleaning requirements (see section 2d of the Ready Schools, Safe Learners guidance). <input checked="" type="checkbox"/> Procedures for return, inventory, updating, and redistributing district-owned devices must meet physical distancing requirements. 	<ul style="list-style-type: none"> - Clean and sanitize each device brought in for updates, repair, return, inventory, or redistribution. - Computers and internet will be provided to families who need this technology. - Create a list of all the software and student-facing technology solutions with families. - Plan for adequate technology at home for off-site working, teaching, and learning.

2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Handwashing: All people on campus should be advised and encouraged to wash their hands frequently. <input checked="" type="checkbox"/> Equipment: Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use. <input checked="" type="checkbox"/> Events: Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent 	<ul style="list-style-type: none"> • Handwashing: Provide age appropriate hand washing education, define appropriate times to wash hands, and provide hand sanitizer when hand washing is not available.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>meetings and other large gatherings to meet requirements for physical distancing.</p> <ul style="list-style-type: none"> ☒ Transitions/Hallways: Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings. ☒ Personal Property: Establish policies for personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). If personal items are brought to school, they must be labeled prior to entering school and use should be limited to the item owner. 	<ul style="list-style-type: none"> ● Equipment: All classroom supplies and PE equipment will be cleaned and sanitized before use by another student or cohort group. Safety Drills: During fire drills (and all other safety drills), all cohort classes will be physically distanced during exit, recovery, and reentry procedures. ● Events: Field trips will be designed virtually for the school year. All assemblies, athletic events, practices, special performances, school wide parent meetings and other large gatherings will be cancelled or held in a virtual format. ● Transitions/Hallways: There will be staggered transition times in the school in order limit contact student from other cohorts. ● Personal Property: Each classroom will have a limit on the number of personal items brought in to school. A full list will be sent home prior to class starting with allowable items

2e. ARRIVAL AND DISMISSAL

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Physical distancing, stable cohorts, square footage, and cleaning requirements must be maintained during arrival and dismissal procedures. ☒ Create schedule(s) and communicate staggered arrival and/or dismissal times. ☒ Assign students or cohorts to an entrance; assign staff member(s) to conduct visual screenings (see section 1f of the Ready Schools, Safe Learners guidance). ☒ Ensure accurate sign-in/sign-out protocols to help facilitate contact tracing by the LPHA. Sign-in procedures are not a replacement for entrance and screening requirements. Students entering school after arrival times must be screened for the primary symptoms of concern. <ul style="list-style-type: none"> ● Eliminate shared pen and paper sign-in/sign-out sheets. ● Ensure hand sanitizer is available if signing children in or out on an electronic device. ☒ Ensure alcohol-based hand sanitizer (with 60-95% alcohol) dispensers are easily accessible near all entry doors and other high-traffic areas. Establish and clearly communicate procedures for keeping caregiver drop-off/pick-up as brief as possible. 	

2f. CLASSROOMS/REPURPOSED LEARNING SPACES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Seating: Rearrange student desks and other seat spaces so that staff and students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person; assign seating so students are in the same seat at all times. 	<ul style="list-style-type: none"> ● Seating: Rearrange student desks and tables to at least six feet apart; assign seating so students are in the same seat at all times. supplies ● Materials: Each classroom will limit sharing of community supplies when possible (e.g., scissors, pencils, etc.). If needed to

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Materials: Avoid sharing of community supplies when possible (e.g., scissors, pencils, etc.). Clean these items frequently. Provide hand sanitizer and tissues for use by students and staff. ☒ Handwashing: Remind students (with signage and regular verbal reminders from staff) of the utmost importance of hand hygiene and respiratory etiquette. Respiratory etiquette means covering coughs and sneezes with an elbow or a tissue. Tissues should be disposed of in a garbage can, then hands washed or sanitized immediately. <ul style="list-style-type: none"> • Wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol. 	<p>share, these items will be cleaned frequently. Hand sanitizer and tissues will be available for use by students and staff.</p> <ul style="list-style-type: none"> • Handwashing: Post age appropriate signage and provide regular reminders for hand washing.

2g. PLAYGROUNDS, FIELDS, RECESS, BREAKS, AND RESTROOMS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Keep school playgrounds closed to the general public until park playground equipment and benches reopen in the community (see Oregon Health Authority’s Specific Guidance for Outdoor Recreation Organizations). ☒ After using the restroom students must wash hands with soap and water for 20 seconds. Soap must be made available to students and staff. ☒ Before and after using playground equipment, students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol. ☒ Designate playground and shared equipment solely for the use of one cohort at a time. Disinfect at least daily or between use as much as possible in accordance with CDC guidance. ☒ Cleaning requirements must be maintained (see section 2j of the Ready Schools, Safe Learners guidance). ☒ Maintain physical distancing requirements, stable cohorts, and square footage requirements. ☒ Provide signage and restrict access to outdoor equipment (including sports equipment, etc.). ☒ Design recess activities that allow for physical distancing and maintenance of stable cohorts. ☒ Clean all outdoor equipment at least daily or between use as much as possible in accordance with CDC guidance. ☒ Limit staff rooms, common staff lunch areas, elevators and workspaces to single person usage at a time, maintaining six feet of distance between adults. 	<p>Classes may use the playground for recess on a staggered scheduled throughout the school day.</p> <p>All playground structures will be disinfected daily and in between each cohort group.</p> <p>Playground supplies: Each cohort group will use their own playground supplies (e.g., balls, jump ropes, etc.).</p> <p>Students must wash hands before and after using playground equipment.</p>

2h. MEAL SERVICE/NUTRITION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Include meal services/nutrition staff in planning for school reentry. ☒ Prohibit self-service buffet-style meals. ☒ Prohibit sharing of food and drinks among students and/or staff. ☒ At designated meal or snack times, students may remove their face coverings to eat or drink but must maintain six feet of physical distance from others, and must put face coverings back on after finishing the meal or snack. ☒ Staff serving meals and students interacting with staff at mealtimes must wear face shields or face covering (see section 1h of the Ready Schools, Safe Learners guidance). ☒ Students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol before meals and should be encouraged to do so after. ☒ Appropriate daily cleaning of meal items (e.g., plates, utensils, transport items). ☒ Cleaning and sanitizing of meal touch-points and meal counting system between stable cohorts. 	<ul style="list-style-type: none"> -Staff serving meals will be wearing face coverings. -Students will not eat meals in a common area of a different cohort. -Students will pick up lunch in the cafeteria and eat in a separate classroom.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Adequate cleaning and disinfection of tables between meal periods. <input checked="" type="checkbox"/> Since staff must remove their face coverings during eating and drinking, staff should eat snacks and meals independently, and not in staff rooms when other people are present. Consider staggering times for staff breaks, to prevent congregation in shared spaces. 	

2i. TRANSPORTATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Include transportation departments (and associated contracted providers, if used) in planning for return to service. <input checked="" type="checkbox"/> Buses are cleaned frequently. Conduct targeted cleanings between routes, with a focus on disinfecting frequently touched surfaces of the bus (see section 2j of the Ready Schools, Safe Learners guidance). <input checked="" type="checkbox"/> Develop protocol for loading/unloading that includes visual screening for students exhibiting symptoms and logs for contact-tracing. This should be done at the time of arrival and departure. <ul style="list-style-type: none"> • If a student displays COVID-19 symptoms, provide a face shield or face covering (unless they are already wearing one) and keep six feet away from others. Continue transporting the student. <ul style="list-style-type: none"> ○ The symptomatic student should be seated in the first row of the bus during transportation, and multiple windows should be opened to allow for fresh air circulation, if feasible. ○ The symptomatic student should leave the bus first. After all students exit the bus, the seat and surrounding surfaces should be cleaned and disinfected. • If arriving at school, notify staff to begin isolation measures. <ul style="list-style-type: none"> ○ If transporting for dismissal and the student displays an onset of symptoms, notify the school. <input checked="" type="checkbox"/> Consult with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service. <input checked="" type="checkbox"/> Drivers wear face shields or face coverings when not actively driving and operating the bus. <input checked="" type="checkbox"/> Inform parents/guardians of practical changes to transportation service (i.e., physical distancing at bus stops and while loading/unloading, potential for increased route time due to additional precautions, sanitizing practices, and face coverings). <input checked="" type="checkbox"/> Face coverings or face shields for all students in grades Kindergarten and up following CDC guidelines applying the guidance in section 1h of the Ready Schools, Safe Learners guidance to transportation settings. 	<ul style="list-style-type: none"> -Each bus will visually screen students for illness and maintain an attendance log. -Each bus will give 3 feet of distance between each student and 6 feet from the driver. -Busses will be cleaned and sanitized between cohort groups. -Drivers will have a face shield or a mask

2j. CLEANING, DISINFECTION, AND VENTILATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Clean, sanitize, and disinfect frequently touched surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) between uses multiple times per day. Maintain clean and disinfected (CDC guidance) environments, including classrooms, cafeteria settings and restrooms. <input checked="" type="checkbox"/> Clean and disinfect playground equipment at least daily or between use as much as possible in accordance with CDC guidance. <input checked="" type="checkbox"/> Apply disinfectants safely and correctly following labeling direction as specified by the manufacturer. Keep these products away from students. 	<ul style="list-style-type: none"> - All frequently touched surfaces and shared objects are cleaned uses or at least 3 times per day - Ventilation systems will be checked and maintained monthly by maintenance staff.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> To reduce the risk of asthma, choose disinfectant products on the EPA List N with asthma-safer ingredients (e.g. hydrogen peroxide, citric acid, or lactic acid) and avoid products that mix these with asthma-causing ingredients like peroxyacetic acid, sodium hypochlorite (bleach), or quaternary ammonium compounds. <input checked="" type="checkbox"/> Schools with HVAC systems should evaluate the system to minimize indoor air recirculation (thus maximizing fresh outdoor air) to the extent possible. Schools that do not have mechanical ventilation systems should, to the extent possible, increase natural ventilation by opening windows and doors before students arrive and after students leave, and while students are present. <input checked="" type="checkbox"/> Consider running ventilation systems continuously and changing the filters more frequently. Do <u>not</u> use fans if they pose a safety or health risk, such as increasing exposure to pollen/allergies or exacerbating asthma symptoms. Consider using window fans or box fans positioned in open windows to blow fresh outdoor air into the classroom via one window, and indoor air out of the classroom via another window. Fans should not be used in rooms with closed windows and doors, as this does not allow for fresh air to circulate. <input checked="" type="checkbox"/> Consider the need for increased ventilation in areas where students with special health care needs receive medication or treatments. <input checked="" type="checkbox"/> Facilities should be cleaned and disinfected at least daily to prevent transmission of the virus from surfaces (see CDC's guidance on disinfecting public spaces). <input checked="" type="checkbox"/> Consider modification or enhancement of building ventilation where feasible (see CDC's guidance on ventilation and filtration and American Society of Heating, Refrigerating, and Air-Conditioning Engineers' guidance). 	

2k. HEALTH SERVICES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> OAR 581-022-2220 Health Services, requires districts to “maintain a prevention-oriented health services program for all students” including space to isolate sick students and services for students with special health care needs. While OAR 581-022-2220 does not apply to private schools, private schools must provide a space to isolate sick students and provide services for students with special health care needs. <input checked="" type="checkbox"/> Licensed, experienced health staff should be included on teams to determine district health service priorities. Collaborate with health professionals such as school nurses; SBHC staff; mental and behavioral health providers; dental providers; physical, occupational, speech, and respiratory therapists; and School Based Health Centers (SBHC). 	<ul style="list-style-type: none"> - Nurse primary in supporting the development of this plan - Designated staff can implement plan - A plan for maintaining health services for all students

2l. BOARDING SCHOOLS AND RESIDENTIAL PROGRAMS ONLY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <input type="checkbox"/> Provide specific plan details and adjustments in Operational Blueprints that address staff and student safety, which includes how you will approach: <ul style="list-style-type: none"> • Contact tracing • The intersection of cohort designs in residential settings (by wing or common restrooms) with cohort designs in the instructional settings. The same cohorting parameter limiting total cohort size to 100 people applies. • Quarantine of exposed staff or students • Isolation of infected staff or students • Communication and designation of where the “household” or “family unit” applies to your residents and staff 	Not Applicable

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Review and take into consideration CDC guidance for shared or congregate housing: <ul style="list-style-type: none"> • Not allow more than two students to share a residential dorm room unless alternative housing arrangements are impossible • Ensure at least 64 square feet of room space per resident • Reduce overall residential density to ensure sufficient space for the isolation of sick or potentially infected individuals, as necessary; • Configure common spaces to maximize physical distancing; • Provide enhanced cleaning; • Establish plans for the containment and isolation of on-campus cases, including consideration of PPE, food delivery, and bathroom needs. 	

2m. SCHOOL EMERGENCY PROCEDURES AND DRILLS

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> In accordance with ORS 336.071 and OAR 581-022-2225 all schools (including those operating a Comprehensive Distance Learning model) are required to instruct students on emergency procedures. Schools that operate an On-Site or Hybrid model need to instruct and practice drills on emergency procedures so that students and staff can respond to emergencies. <ul style="list-style-type: none"> • At least 30 minutes in each school month must be used to instruct students on the emergency procedures for fires, earthquakes (including tsunami drills in appropriate zones), and safety threats. • Fire drills must be conducted monthly. • Earthquake drills (including tsunami drills and instruction for schools in a tsunami hazard zone) must be conducted two times a year. • Safety threats including procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to safety must be conducted two times a year. <input checked="" type="checkbox"/> Drills can and should be carried out <u>as close as possible</u> to the procedures that would be used in an actual emergency. For example, a fire drill should be carried out with the same alerts and same routes as normal. If appropriate and practicable, COVID-19 physical distancing measures can be implemented, but only if they do not compromise the drill. <input checked="" type="checkbox"/> When or if physical distancing must be compromised, drills must be completed in less than 15 minutes. <input checked="" type="checkbox"/> Drills should not be practiced unless they can be practiced correctly. <input checked="" type="checkbox"/> Train staff on safety drills prior to students arriving on the first day on campus in hybrid or face-to-face engagement. <input checked="" type="checkbox"/> If on a hybrid schedule, conduct multiple drills each month to ensure that all cohorts of students have opportunities to participate in drills (i.e., schedule on different cohort days throughout the year). <input checked="" type="checkbox"/> Students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.	<ul style="list-style-type: none"> - Drills may practice with individual cohorts if it doesn't compromise the integrity of the drill. - Social Distancing will be maintained during drills. -

2n. SUPPORTING STUDENTS WHO ARE DYSREGULATED, ESCALATED, AND/OR EXHIBITING SELF-REGULATORY CHALLENGES

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Utilize the components of Collaborative Problem Solving or a similar framework to continually provide instruction and skill-building/training related to the student's demonstrated lagging skills.	<ul style="list-style-type: none"> - Academic and Behavior Support plans will be proactively implemented. - Staff will wash hands after a close interaction with a student.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ☒ Take proactive/preventative steps to reduce antecedent events and triggers within the school environment. ☒ Be proactive in planning for known behavioral escalations (e.g., self-harm, spitting, scratching, biting, eloping, failure to maintain physical distance). Adjust antecedents where possible to minimize student and staff dysregulation. Recognize that there could be new and different antecedents and setting events with the additional requirements and expectations for the 2020-21 school year. ☒ Establish a proactive plan for daily routines designed to build self-regulation skills; self-regulation skill-building sessions can be short (5-10 minutes), and should take place at times when the student is regulated and/or is not demonstrating challenging behaviors. ☒ Ensure all staff are trained to support de-escalation, provide lagging skill instruction, and implement alternatives to restraint and seclusion. ☒ Ensure that staff are trained in effective, evidence-based methods for developing and maintaining their own level of self-regulation and resilience to enable them to remain calm and able to support struggling students as well as colleagues. ☒ Plan for the impact of behavior mitigation strategies on public health and safety requirements: <ul style="list-style-type: none"> • Student elopes from area <ul style="list-style-type: none"> ○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> ● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention. ● Use the least restrictive interventions possible to maintain physical safety for the student and staff. ● Wash hands after a close interaction. ● Note the interaction on the appropriate contact log. ○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs. • Student engages in behavior that requires them to be isolated from peers and results in a room clear. <ul style="list-style-type: none"> ○ If students leave the classroom: <ul style="list-style-type: none"> ● Preplan for a clean and safe alternative space that maintains physical safety for the student and staff ● Ensure physical distancing and separation occur, to the maximum extent possible. ● Use the least restrictive interventions possible to maintain physical safety for the student and staff. ● Wash hands after a close interaction. ● Note the interaction on the appropriate contact log. ○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs. • Student engages in physically aggressive behaviors that preclude the possibility of maintaining physical distance and/or require physical de-escalation or intervention techniques other than restraint or seclusion (e.g., hitting, biting, spitting, kicking, self-injurious behavior). <ul style="list-style-type: none"> ○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> ● Maintain student dignity throughout and following the incident. ● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention. 	<ul style="list-style-type: none"> - Tracing logs will record any unexpected contact with outside cohorts.

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> ● Use the least restrictive interventions possible to maintain physical safety for the student and staff ● Wash hands after a close interaction. ● Note the interaction on the appropriate contact log. ○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs. <p><input checked="" type="checkbox"/> Ensure that spaces that are unexpectedly used to deescalate behaviors are appropriately cleaned and sanitized after use before the introduction of other stable cohorts to that space.</p> <p>Protective Physical Intervention</p> <p><input type="checkbox"/> Reusable Personal Protective Equipment (PPE) must be cleaned/sanitized after every episode of physical intervention (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance: Cleaning, Disinfection, and Ventilation).</p>	

3. Response to Outbreak

3a. PREVENTION AND PLANNING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review the "Planning for COVID-19 Scenarios in Schools" toolkit.</p> <p><input checked="" type="checkbox"/> Coordinate with Local Public Health Authority (LPHA) to establish communication channels related to current transmission level.</p>	<ul style="list-style-type: none"> - We will coordinate with the local health agency. - Designate a staff person to be responsible for responding to COVID-19 concerns. - Identify baseline absentee rates to determine rates have increased by 15% or more. - Establish a specific emergency response framework with key stakeholders. - Modify, postpone or cancel large school events as coordinated with LPHA.

3b. RESPONSE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review and utilize the "Planning for COVID-19 Scenarios in Schools" toolkit.</p> <p><input checked="" type="checkbox"/> Ensure continuous services and implement Comprehensive Distance Learning.</p> <p><input checked="" type="checkbox"/> Continue to provide meals for students.</p>	<ul style="list-style-type: none"> - Distance Learning Team will regularly assess our progress and analyze Comprehensive Learning - The planning for COVID-19 scenarios will be utilized. - The school will close will work with the local health authority if there is a break out. - The school district will follow all OHA recommendations. - Parents will be notified about any COVID infections and which cohort was affected. - There will be a short term distance learning plan which will be implemented.

3c. RECOVERY AND REENTRY

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Review and utilize the "Planning for COVID-19 Scenarios in Schools" toolkit.</p> <p><input checked="" type="checkbox"/> Clean, sanitize, and disinfect surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transport vehicles) and follow CDC guidance for classrooms, cafeteria settings, restrooms, and playgrounds.</p> <p><input checked="" type="checkbox"/> When bringing students back into On-Site or Hybrid instruction, consider smaller groups, cohorts, and rotating schedules to allow for a safe return to schools.</p>	<p>Plan instructional models that support all learners in comprehensive distance learning.</p> <p>Clean, sanitize, and disinfect surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transport vehicles) and follow CDC guidance for classrooms, cafeteria settings, restrooms and playground</p>

ASSURANCES

This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.

This section does not apply to private schools.

- We affirm that, in addition to meeting the requirements as outlined above, our school plan has met the collective requirements from ODE/OHA guidance related to the 2020-21 school year, including but not limited to requirements from:
 - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
 - The [Comprehensive Distance Learning](#) guidance,
 - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
 - [Planning for COVID-19 Scenarios in Schools](#)

- We affirm that we cannot meet all of the collective requirements from ODE/OHA guidance related to the 2020-21 school year from:
 - Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
 - The [Comprehensive Distance Learning](#) guidance,
 - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
 - [Planning for COVID-19 Scenarios in Schools](#)

We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled “Assurance Compliance and Timeline” below.

4. Equity

5. Instruction

6. Family, Community, Engagement

7. Mental, Social, and Emotional Health

8. Staffing and Personnel

Assurance Compliance and Timeline

If a district/school cannot meet the requirements from the sections above, provide a plan and timeline to meet the requirement.

List Requirement(s) Not Met	Provide a Plan and Timeline to Meet Requirements <i>Include how/why the school is currently unable to meet them</i>
