

2021-22 Student Investment Account Annual Report Template

This Student Investment Account Annual Report Questions template aims to help districts organize narrative responses to questions prior to submitting their Annual Report via SmartSheet. **Please note that this template will not be submitted** to the Oregon Department of Education; rather it is a tool to support grantees in compiling the necessary information that will need to be cut and paste into Smartsheet.

Required Question	Responses
<p>1. What changes in behavior, actions, policies or practices have you observed related to SIA implementation during the 2021-22 school year? How do you see these changes contributing to the goals and outcomes in your SIA plan? <i>(500 words or less)</i></p>	<p>Our school district has had more options for all students in music, science, and CTE courses. Our freshmen on-track rate has drastically improved. We believe this improvement was partially due to more options for students at our school.</p>
<p>2. What barriers or challenges to SIA implementation have you experienced that are helpful for your community and/or state leaders to be aware of? What adjustments, if any, did you make to your SIA plan as a result of these challenges? <i>(500 words or less)</i></p>	<p>Some of the construction has been more expensive than previously quoted. There also has been a delay on the projects due to materials showing up late. A lack of workers, inflation of costs, and supply chain issues have been a challenge throughout this process.</p>
<p>3. SIA implementation includes ongoing engagement with all students, focal students, families, staff, and community partners. How have relationships with or between those groups changed and/or been maintained throughout this academic year? Consider the Community Engagement Toolkit and where your efforts might land on the Levels of Community Engagement spectrum as you complete your response. <i>(500 words or less)</i></p>	<p>We have continued to outreach to the community about feedback for the school. The Superintendent sets aside a day each month at the local restaurant to discuss issues with the community. We have had community surveys and staff discussion about the implementation of SIA money.</p>
<p>4. As you think about what guided your choices and prioritization efforts in this year of SIA implementation, what stands out? How will what you've learned this year impact future SIA implementation efforts? <i>(500 words or less)</i></p>	<p>Community members, evaluation by the leadership team and staff comments were all very similar. We are focused on providing more opportunities for our school. Adding music and agriculture to our school has created many more opportunities for all of our students.</p>
