Re-adopted: 10-16-2025

## **Personal Electronic Devices \*/\*\***

Student possession or use of a personal electronic device is prohibited from the start of regular instructional hours until the end of regular instructional hours, except as provided below. [Personal electronic devices can be used when students are not on school grounds and are not under the supervision of school personnel (other than a school bus driver)<sup>1</sup>.

Except as otherwise provided in this policy, “personal electronic device” means any portable, electrically powered device that is capable of making and receiving calls and text messages and accessing the internet independently from the school’s network infrastructure.<sup>2</sup> This includes headphones and earbuds attached to personal electronic devices. This does not include a laptop computer or other device required to support academic activities.

### **Cell phone use is prohibited during periods between classes or during breakfast and lunch breaks.**

Personal electronic devices may be used when use complies with the terms of:

1. The student’s medical provider’s order for the care and treatment of a medical condition;<sup>3</sup>
2. The student’s individualized education program, as defined in ORS 343.035 or an education plan developed for the student in accordance with section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794);<sup>4</sup>

---

<sup>1</sup> If students are under the supervision of school personnel other than a school bus driver, the use of personal electronic devices is prohibited during regular instructional hours. {ODE’s guidance, *Fostering Student Learning, Well-Being, and Belonging* provides that districts have discretion related to field trips. The district could include language regarding field trips here.}

<sup>2</sup> [ODE’s guidance, *Fostering Student Learning, Well-Being, and Belonging* provides “This includes personal electronic devices that can make calls, send texts, or access the internet via cellular data are restricted. This includes smartphones, web-enabled flip phones, cellular-capable tablets and e-readers, smartwatches, smart glasses, and connected headphones or earbuds. This does not include laptop computers or other devices required to support academic activities.”

<sup>3</sup> JFCEB-AR must be submitted to the building administrator, along with a copy of the order.

<sup>4</sup> If use of the personal electronic device is included in the individualized education program or education plan, JFCEB-AR submission is not required.

3. A written exemption provided for the student based on a request received in JFCEB-AR. School administration will respond to such a request within 10 school days.<sup>5</sup>
4. Exceptions may be allowed for out-of-school events such as athletics, field trips, college visits, etc.

**Personal electronic devices may be kept by students in lockers or backpacks, but personal electronic devices are not to be stored on the student's person or in the student's clothing during regular instructional hours and must remain out of sight during the instructional school day.**

Accommodation ensures equitable access and support for all students and staff enforcement guarantees consistent implementation to ensure a safe and focused learning environment.

1. All staff, including substitutes, must enforce the cell phone policy consistently throughout the school day.
2. Training will be provided for staff regarding this policy and additional information will be available through handbooks, newsletters, and websites.
3. Families are encouraged to support the policy and respecting the defined rules.

Students in violation of this policy will be subject to disciplinary action. Discipline for mere possession or use of a personal electronic device may not include loss of instructional time for the student (including suspension or expulsion), but could include [detention, Saturday school, a change to storage requirements, etc. {<sup>6</sup>}]. However, if the actions taken by a student violate another conduct policy, the student may be subject to discipline up to and including expulsion.<sup>7</sup> Steps may include:

1. 1<sup>st</sup> Offense: The device will be confiscated; student may pick up the device from the office at the end of the school day.
2. 2<sup>nd</sup> Offense: The device will be confiscated and held at the front office and must be picked up by the parent/guardian.
3. 3<sup>rd</sup> Offense: The device will be confiscated and held at the school until the end of the semester.
4. 4<sup>th</sup> Offense: In noncompliance continues, schools will determine additional appropriate consequences. A meeting with administrator will need to be scheduled to address the continuing issue, always prioritizing keeping students in class and engaged in learning. {<sup>8</sup>}

Necessary communications during the school day while on school grounds between students and parents or guardians can be made through the school office.

---

<sup>5</sup> JFCEB-AR must be submitted to the building administrator.

<sup>6</sup> {Correction may include requiring a student to store their device in a classroom storage space instead of in the backpack.}

<sup>7</sup> For example: a student could be disciplined with lost instructional time for using a personal electronic device to bully another student or for accessing inappropriate content. Discipline will be in accordance with Board policies.

<sup>8</sup> {From guidance from the Oregon Department of Education. Consider whether these procedures apply at all grade levels and whether this much detail is desired in policy.}

The superintendent or designee shall ensure this policy is posted on the district website and made available to district personnel, students, parents, guardians, partners who are in school buildings during the school day, and the Oregon Department of Education.

In accordance with ORS 336.840, students may be allowed to use personal electronic devices<sup>9</sup> that support academic activities and independent communications<sup>10</sup>, except as prohibited by this policy. In academic activities in which a personal electronic device is required as part of the curriculum, students may be allowed, but not required to use their own personal electronic devices for that portion of the curriculum. Students using their own device must be granted access to any applications or electronic materials that are available to students who do not use their own personal electronic devices. These applications must be free of charge if students who do not use their own devices have access free of charge.

Requests for exemptions to this policy can be processed in accordance with JFCEB-AR – Request for Personal Electronic Devices Exemption. Appeals can be filed with the superintendent in accordance with KL-AR(1) – Public Complaint Procedure.

The taking, disseminating, transferring or sharing of obscene, pornographic or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person taking, disseminating, transferring or sharing obscene, pornographic or otherwise illegal images or photographs will be reported to law enforcement and/or other appropriate state or federal agencies.

This policy takes effect on January 1, 2026.

Oregon Executive Order 25-09

---

<sup>9</sup> The use of “personal electronic device” in this paragraph comes from ORS 336.840, which does not define the term. However, the definition in EO 25-09 wouldn’t necessarily apply. Consequently, items like laptop computers or other devices required to support academic activities would likely be considered personal electronic devices within this paragraph.

<sup>10</sup> “Independent communication means communication that does not require assistance or interpretation by an individual who is not part of the conversation, but that may require the use or assistance of an electronic device. ORS 336.840(1).
